

EVERY DAY IS EARTH DAY!

FamilyID has processed **6,299,472 online registrations** for nearly 2 million families. Let's celebrate the big difference schools & organizations are making by going paperless!

7,560 trees saved

More than 7.5k trees saved by schools that have moved their paper registration process to FamilyID's online platform.

31 million sheets of paper saved

An average registration packet has ten paper forms. An average ream of paper has 500 sheets. You've helped save more than 125,000 reams of paper!

3.1 million gallons wastewater saved

Did you know it takes 7k gallons of water to produce one ton of paper? So far, you've helped save 445 tons of paper and 3.1M gallons of wastewater. Going green saves more than trees!

an avg. school saves up to **\$16,000/yr**

by moving to online registration

The cost of paper, postage, toner and storage supplies can be staggering. The schools and organizations using FamilyID online registration love how much time, paper and money they save.
